

CS UMAT

CS UMAT is the key
to your success!

CS Education has a proven track record in preparing students for a range of examinations. Due to strong demand, we have joined forces with a number of local UMAT tutors to develop a program aimed to provide you with the skills required to achieve success in the UMAT.

We have extensively researched the style of questions in the UMAT, and have determined what students desire when preparing for this difficult exam. Combining this with our integrated learning model, we present to you:

CS UMAT, your key to success!

WHAT IS **UMAT**?

UMAT

The Undergraduate Medicine and Health Sciences Admission Test (UMAT) is developed and used specifically to assist with the selection of students into medicine and health science degree programs at undergraduate level at the universities listed on this page. UMAT is available to any candidate whose educational level at the time of sitting the test is final year of secondary schooling or higher.

Structure & Content

UMAT is divided into three sections designed to measure ability in the following areas:

- >> Section 1: Logical Reasoning and Problem Solving
- >> Section 2: Understanding People
- >> Section 3: Non-verbal Reasoning

UMAT questions do not test academic knowledge and do not require special understanding of any academic discipline.

Questions in Sections 1 and 2 are in written form (though some Section 1 questions may present information in visual or tabular format). Section 3 questions are based entirely on visual material.

Timing of the Test

UMAT consists of 3 hours of test time.

SECTION	QUESTIONS	TIME (MINS)
SECTION 1	48	70
SECTION 2	44	55
SECTION 3	42	55
